

- Notes
1. For planning purposes only. Not for construction.
  2. All dimensions are in metres unless otherwise noted.
  3. Where levels are shown, all levels are in metres above Malin Head datum.
  4. The identified location of the underground cable infrastructure, compounds and work areas and associated infrastructure development, including joint bays, communication chambers and passing bays, are indicative for the purpose of this application for Approval. The final nature, extent and location of such development will be identified in detailed design, but will not extend outside the identified application area, nor will have any greater environmental impact than that being assessed by ABP.
  5. Existing entrance from local road to be used for permanent access track.
